Dogs at Wooda Farm

We know how much dogs are part of the family and we do our best to accommodate them but we do have a few rules to make sure everyone has an enjoyable stay!

Dogs must be kept on a lead (not exceeding 2 metres) at all times. Dogs must not be left unattended at any time. All dogs must be exercised in the specifically designated dog fields. For obvious health and hygiene reasons, accidental fouling must be cleared up immediately. Anyone not doing so will be asked to leave the holiday park. Being a family park, we regret we do not allow the following breeds to stay: Rottweiler, Pit Bull Terrier, Doberman, Bull Mastiff and crosses of the same.

The Environment

At Wooda, we love our environment! We have adopted many practices here to care for the environment and preserve it for future generations to enjoy. We are proud holders of the David Bellamy Gold Conservation Award. Please see our website, wooda.co.uk to find out more information about what we are doing.

Touring and Camping Cancellation Policy

The payment of £10 per week protects you and your party, up to and including the day before your holiday, against loss of all monies already paid (excluding £10 per week premium) due to redundancy, jury service, personal injury, illness or death to any member of your party. Supporting evidence i.e. Doctor's Certificate, Redundancy Notice, etc, will be required.

We recommend you take out your own holiday insurance as no refunds will be issued for any reason other than those covered by the cancellation plan.
